Recognizing Our Volunteers and Strengthening Our Community

Spring Woods is fortunate to have neighbors who still attend HOA board meetings and volunteer their time to help maintain the quality of our community. Their efforts preserve the amenities we all enjoy and support the day to day operations that keep our neighborhood running smoothly.

Community Volunteers Making a Difference

We offer sincere thanks to Todd Rioux, who generously provided a new movie screen for the clubhouse and installed it himself. This addition will bring a new level of enjoyment to upcoming activities and events for both adults and children.

We also extend our gratitude to Miss Tara Dunn, who stepped forward to keep the Activities Committee active. She created a wonderful Halloween Trunk or Treat event and followed it with a Fall Festival complete with hay bales, pumpkins, hayrides, games, beautiful decorations in the clubhouse, and a buffet of delicious dishes that brought neighbors together.

Tara has more events planned for the remainder of the year, including a Christmas celebration and a Polar Express movie night that will make great use of Todd's new screen.

We would also like to recognize Sharon Williams, whose steady, behind the scenes efforts support the daily needs of our community. Her dedication is deeply appreciated.

Honoring Past Contributors

Sunday Bingo has been a long standing activity in Spring Woods thanks to Miss Sally, who carried much of the responsibility for many years. She is currently facing health challenges and is unable to continue. She is missed, and her work helped build the foundation for the activities we enjoy today.

A Message About Participation

We want to speak openly about participation in our events. Spring Woods has excellent amenities and hardworking volunteers, yet turnout is often much lower than it could be. These activities are created for the benefit of our residents, and they truly shine when people show up and take part.

Across the bridge in Suncoast, we have watched families come together with remarkable unity despite having fewer resources. Because of their strong community spirit, we plan to invite Suncoast families to join us for upcoming events. If our own residents choose not to take advantage of what is offered, we would rather see these activities enjoyed by those who will appreciate them.

Looking Ahead

A fully resurfaced swimming pool is on the way and will soon be ready to enjoy. Improvements like this are made possible by every member of Spring Woods.

Respectfully submitted,
